SAT-NAV SEEMS TO BE UNRELIABLE FOR OUR POSTCODE

From the M5 / Exeter

At the end of the M5 motorway (which becomes the A38) follow onto the A380 (signed Torquay) and take this road for approximately 3 miles travelling up Telegraph Hill.

Exit at the 'Ashcombe Cross' slip road (signed to 'Teignmouth, Ashcombe and Shaldon' B3192). At the roundabout go straight across, following the signs for Teignmouth and Shaldon B3192.

Follow this road for 1.9 miles past the first left turn signed to 'Ashcombe Cottages and Activity Centre', then go past the wind turbine on your right, continue on up the hill, and take the next road on the left signed to 'Ashcombe & Dawlish' (small crossroads).

After 0.3 Miles (in the woodland) take the next left turn (small crossroads), this road is signed to 'Ashcombe Towers & Ashcombe' but the sign is only visible once you have taken the left turn. Follow this road for 1.7 miles, you will initially drive through woodland before descending down a long hill (you will pass a Ridge Referrals sign halfway down the hill)

When you reach the T-Junction at bottom of the hill, turn right (signed to Starcross & Kenton).

Bear right as the road comes to the brow of a small hill (ignore the road heading off to your left uphill) you will then pass a large cream coloured house on your right.

Keep following the road for another 0.2 miles until you see a slip road on the right signed to 'Ridge Referrals'.

Drive down the slip road and follow the lane around to the right, where you will see our entrance gates ahead of you.

Drive up to the parking area immediately in front of the main building.

Follow this road until it meets a T-Junction. Turn right here & continue a short distance until you come to a small roundabout.
